

STRATTON PARK

P.E.O. is a philanthropic educational organization for women built upon service and philanthropy as an outgrowth of its social bonds of love and friendship. Friendship is the cornerstone of P.E.O. it is the legacy left by our founders and it thrives in our unique sisterhood. P.E.O. exists to be a source of encouragement and support for women to realize their potential in whatever worthwhile endeavor they choose.

The P.E.O. sisterhood was founded by seven young women on the campus of Iowa Wesleyan College, Mount Pleasant, Iowa, in January 1869.

Colorado state chapter was organized on January 23, 1903, in Denver, as the fourth state chapter in our sisterhood. The eight founding chapters soon grew to eleven that same year. Colorado currently has 220 active chapters and is home to over 8,500 active members.
